

57th Annual Meeting of Thrombosis and Haemostasis Research (GTH)

**Meet Ralf Pasternack and Martin Hils at the GTH meeting in Munich, Germany!
Please contact us via e-mail to make an appointment**

The meeting will be held from 20th of February 2013 until 23rd of February 2013 in Munich, Germany.

The annual meeting covers "a broad spectrum of thrombotic and bleeding diseases and their relevance in almost all branches of Clinical Medicine". That includes "microthrombosis in the development of dementia" which is of certain interest in the development of direct FXIIa-blockers.

Please follow the link for details: <http://www.gth2013.org/>

Please notice that Zedira offers the full range of products for transglutaminase and blood coagulation research. For detailed information concerning our products please visit to our web site www.zedira.com. Should you have any questions or queries about our products, please do not hesitate to [contact](#) us.

We are continuously enlarging our product portfolio in order to fulfill researcher's requirements in the field of transglutaminase R&D. For special requirements please contact us.
